

## Request for Quotations

The City of Gibraltar is accepting quotations on the following project:

**Project:** Kayak Launch Rehabilitation. The Gibraltar Kayak launch is located at the intersection of South Gibraltar Road and Middle Gibraltar Road adjacent to the bridge over the waterway canal.

### Scope of Work:

- Raise electrical lift box out of waterway and wire it accordingly
- Raise kayak deck to accommodate the use of the lift
- Ensure level and safe housing of deck and electrical unit.
- Adjust any non-American with Disability Act concerns as a result of work
- Set any stabilization poles that are needed

### Expectation:

Fully operational kayak launch which gives the ability for a single person to raise and lower boats into and out of the water. All necessary permitting must be pulled by the contractor.

### General Liability Statement:

Prove of commercial general liability insurance and workman licensure is required with quotation submittals.

### Nondiscriminatory Statement:

The City of Gibraltar does not and shall not discriminate on the basis of race, color, age, national origin, religion (creed), sex, height, weight, partisan consideration, disability or genetic information that is unrelated to the personas/companies' ability to perform the duties of the job.

### Timeline:

Please provide quotation and any additional documents to the City of Gibraltar Clerk's Office by 4:00 p.m. Tuesday, May 31, 2022.
