Message from the Director of Public Safety

As we welcome the warmer months, the Gibraltar Police Department remains committed to serving and protecting our wonderful community. With summer approaching, we look forward to continuing our efforts in keeping Gibraltar a safe and enjoyable place for all residents and visitors.

We kindly ask everyone to be mindful of their speed while traveling on our roads and waterways. The increased activity during the summer means more pedestrians, cyclists, and children at play. Your attentiveness and caution can help prevent accidents and ensure a safe environment for all.

Additionally, we encourage residents who use golf carts to review the City of Gibraltar’s guidelines. Adhering to these regulations helps keep our streets safe and prevents unnecessary incidents. (pg. 4)

As a reminder, the Gibraltar Police and Fire Department are available 24 hours a day, 7 days a week. Our dedicated team is always ready to assist and respond to any concerns you may have.

Thank you for working with us to keep Gibraltar a safe and welcoming community. We appreciate your continued support and cooperation.

Stay safe and enjoy the summer season!

Chief Bruce Bullard

Pick up your flood emergency card!

The City would like to remind residents of the requirement to pick up their “Flood Cards” from the Gibraltar Police Department, if they have not already done so. The Police Station is located within City Hall at 29450 Munro Ave.

The purpose of these cards is to eliminate non-residents from gaining access to the town during flood events. During these events eliminating non-resident traffic is essential to preserving public safety and private property. Checkpoints will exist at the four entrance points to the town. Cards will be able to be hung from your rearview mirror to be highly visible at City Checkpoints to prevent traffic backups. For residents who may not have a card, drivers licenses indicating residency can be used to gain access.

Residents of Horse Island will receive a different color card. It is essential that traffic is limited to only Horse Island residents during a flood event.

Should you have any questions, please contact the City of Gibraltar Police Department at 734-676-1022 for further information.
